**CAUTION 注意**

When tightening a screw to a plastic part, please tighten it firmly, but not over tightened, or they will strip.  
 螺絲鎖入塑膠件請務必注意，適當扭力鎖緊即可，而過緊的扭力可能會導致滑牙。

For original factory package, if the product is already assembled by Factory, please check again if screws are firmly secured and applied with some glue.  
 原廠零件出廠包裝如果是組裝品，請再確認各螺絲是否鎖緊上膠。
