

A yellow, curved, translucent object, possibly a mold or a part of a machine, leaning against a vertical wooden board. It has a circular hole near the top and a narrow opening at the bottom.

A stack of white paper or cardboard, secured with several pieces of yellow tape. The stack has some blue markings, including the number '22' and a blue 'C' shape.

A light switch on a wall, with a white cover and a black panel containing several small holes.
